

✧ REDEFINING YOUR PROGRAMMING PURPOSE ✧

HELLO!

I am Tracy P Holmes.

I'm a Developer Advocate
passionate about community.

You can find me at [@tracypholmes](#)
all over the place.

1

JOURNEY: PART 1

aka "The Austin Phases"

“Slowly is the fastest way to get to where you want to be.

— André De Shields

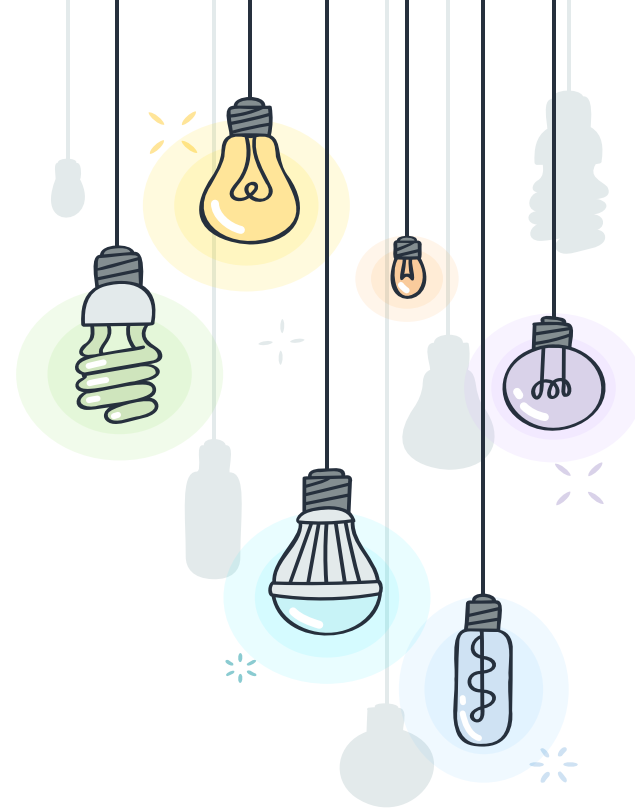

“

At some point I stopped
believing in companies...and
started believing in myself.

– Tracy P Holmes

THE FUSS? THE FUSS WAS PYTHON.

“

I had people around me that
knew I didn't know enough
to know what I didn't know.

– Tracy P Holmes

PROOF OF TAMEIKA FUSSING AT ME

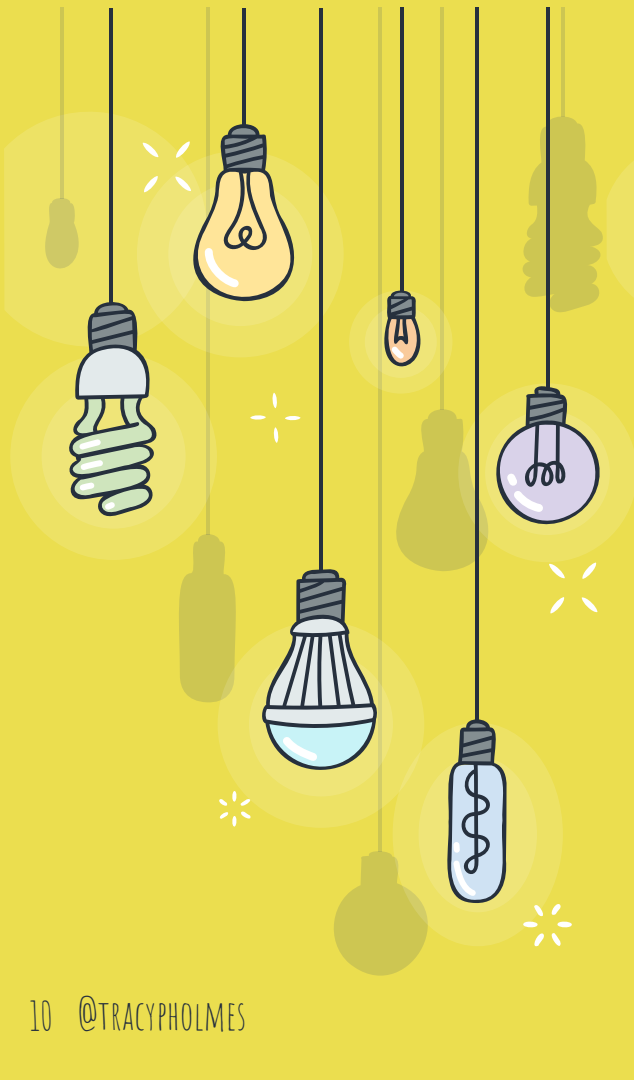

2

JOURNEY: PART 2

aka "The Year Month 6 Weeks from Hell"

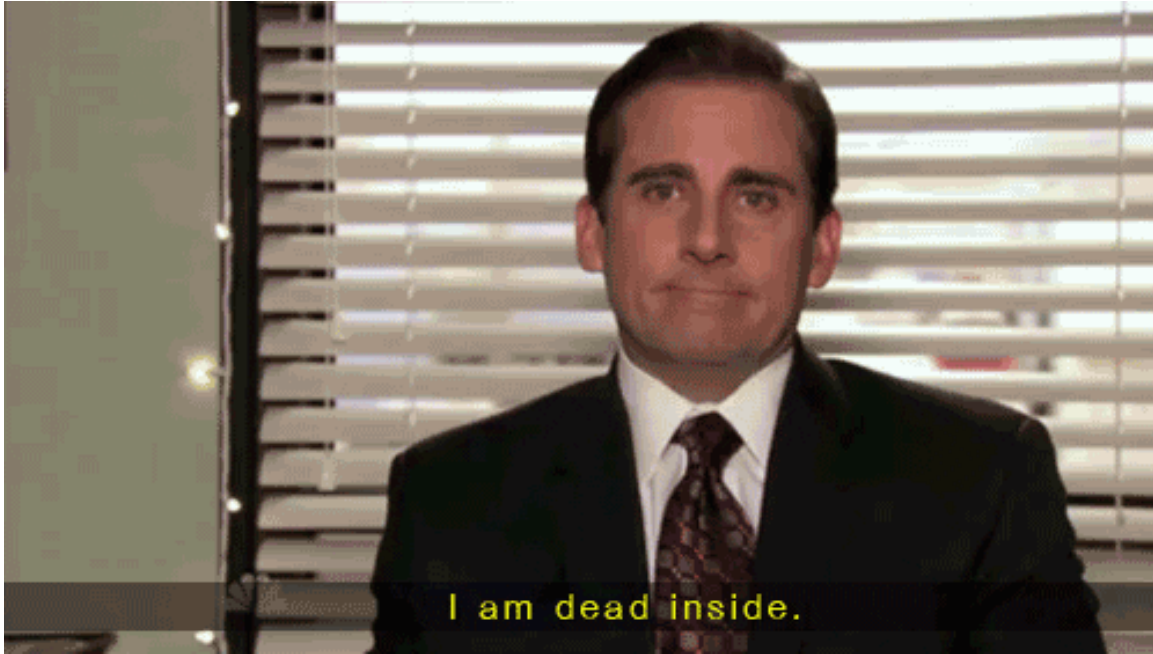

“Bad experiences make for good stories.

– Someone Cheeky

I WAS DEFEATED. I HAD NOTHING LEFT.

“ Use the shi.. crap you go through as fertilizer...to grow something beautiful.

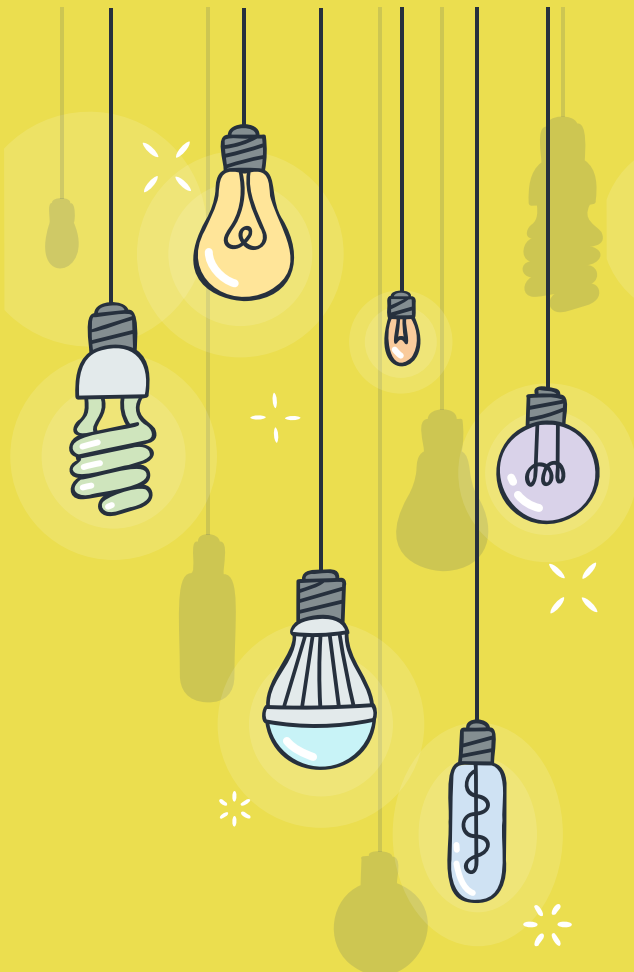

– Tracy P Holmes

3

JOURNEY: PART 3

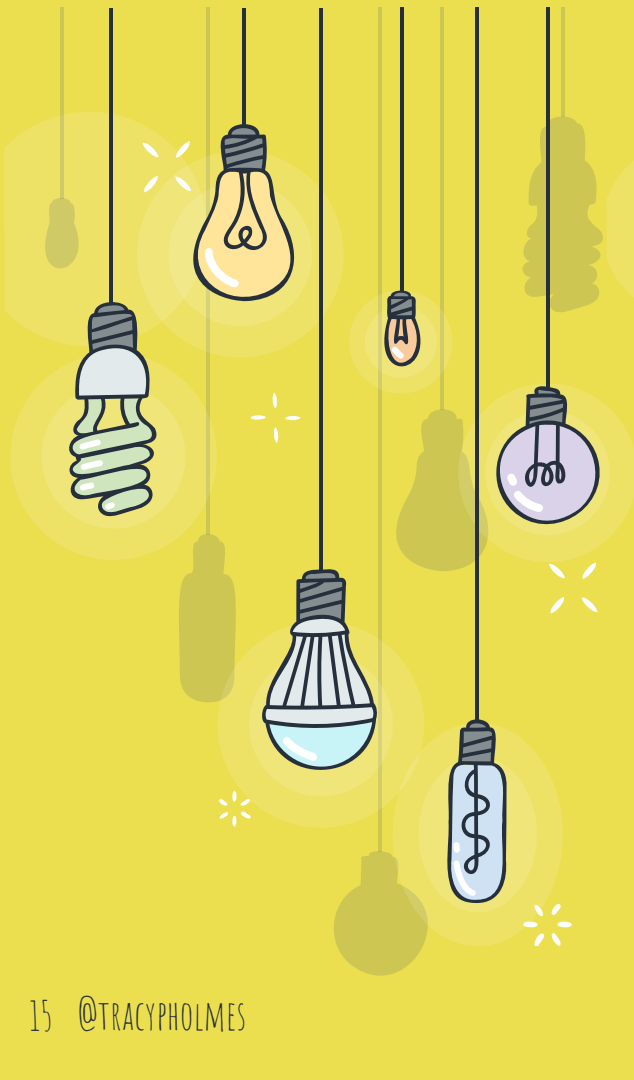

aka "Where Am I Now & Does It Matter?"

“ The thing you want may be sitting butt to boot with the very thing you need.

– Tracy P Holmes

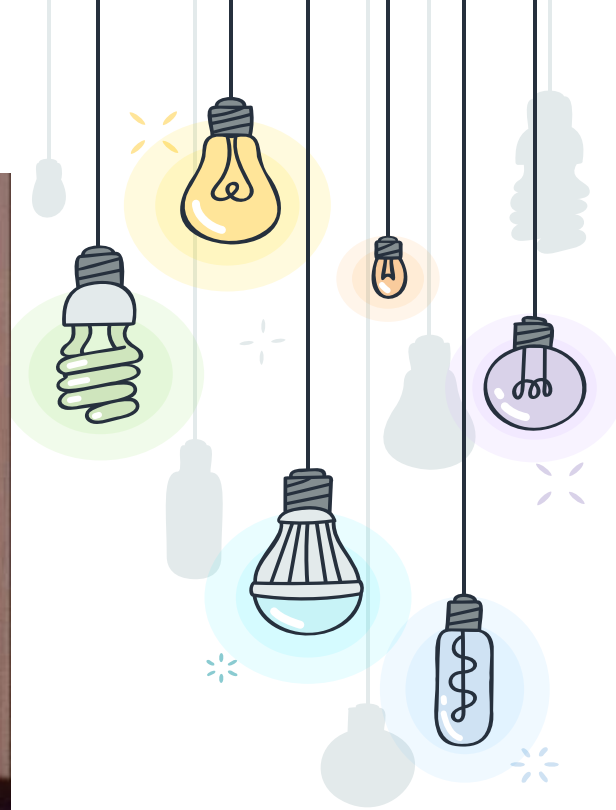

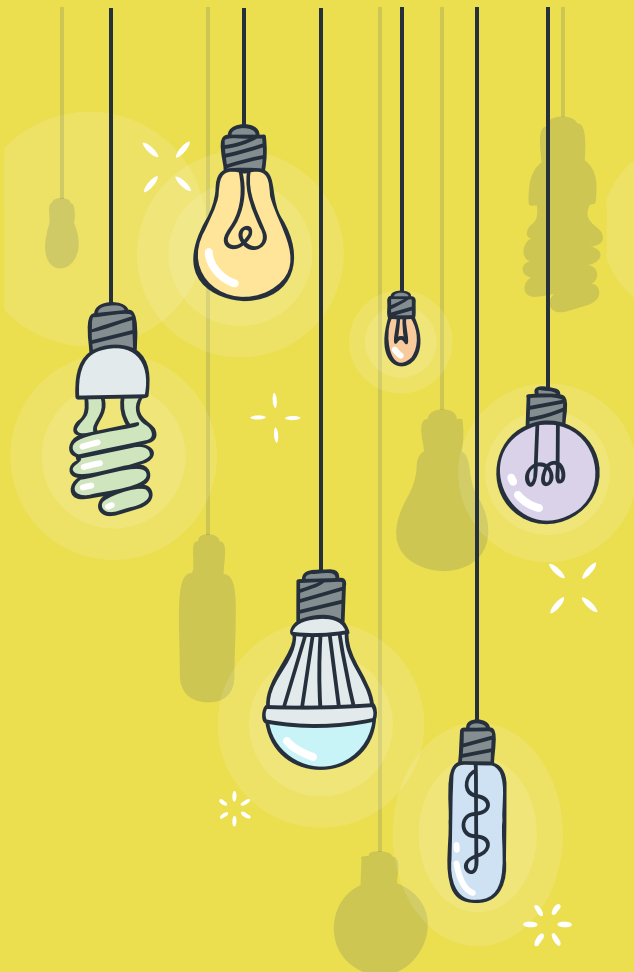

“ So, whatever that “thing” is for you, don’t push it away. Embrace it. See where it takes you...

STOP. TAKE A LOOK.

LET'S CALL A THING
A THING PEOPLE!

“You may find your purpose
has been staring you in the
face the entire time.

— Tracy P Holmes

THANKS!
